SUBJECT: 2016 Annual Progress Report
NASA Ames Groundwater Area of Responsibility to
MEW Regional Plume

Dear Ms. Lee:

The referenced 2016 Annual Progress Report is enclosed. The report presents operational and performance information for the NASA Ames groundwater treatment system and evaluates current groundwater quality within NASA Ames' area of responsibility to the MEW Regional Plume. Recommendations and planned activities for 2017 are also provided in the report.

Please contact me at 650-604-1254 or kimberly.s.finch@nasa.gov with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "K Finch".
